

SCHULCZ is the manufacturer for accessories around architectural models in metric scales.

Mainly we use white styrene for our production, but colours are available too.

All items are packed in plastic bags, header with EAN codes.

SCHULCZ est un fabricant européen de matériel pour la maquette d'architecture en mesure métrique. Pour la fabrication de nos produits sont utilisés principalement polystyrène blanc, mais des couleurs sont disponibles aussi.

Tous les articles sont emballés dans des sacs en plastique, d'en-tête avec les codes EAN.
